Dear Candidates and Parents,

Thank you for your interest in Hollywood All Stars for the 2017-2018 season! We are hopeful to see so many new faces! We are ready for an exciting new season filled with regional and national competitions, team activities and life-long memories. Teams are created to be successful and strong. An athlete's age for the 2017-2018 season will be as of August 31st 2017. In order to try out for the 2017-2018 season all current fees and tuition must be made current and at a \$0 balance.

We observe and test the skill levels of each individual during the training clinic. All ages and abilities will attend the same clinic. Athletes will be split up at the clinic according to their age. This way all of the athletes will be able to stunt, tumble and work together. The coaches will be able to better determine team placements after interacting with athletes as they would on a team. At the end of the clinic the athletes will be evaluated for team placement. In order to be placed on a team your child **MUST** attend a clinic. Team placements will be posted at the end of the month. A parent meeting will be set up before the first practice.

CLINIC DAYS FOR TEAM PLACEMENT

FRIDAY APRIL 21- 6:00-8:00 - COST \$45- AGES 9 AND OLDER

SATURDAY APRIL 22– 10:30-12:30 - COST \$45- AGES 9 AND OLDER

SATURDAY APRIL 22– 1:00-2:00 - COST \$30- AGES 8 AND YOUNGER

During the summer months we will focus mainly on skill advancement and conditioning. All athletes must attend their respective team's scheduled skills camp and choreography sessions to ensure proper placement of skills in the routine. All teams go through a year-long season that includes practices, tumbling lessons, competitions, and performances. Practice schedules differ for each team and will begin immediately after team selections.

Cheerfully,
